PROFESSIONAL SUMMARY

Highly motivated, remote-ready **Web Solutions Specialist & Operations Manager** with a proven track record of managing independent business operations, multi-regional service logistics, and creative product deployment. Experienced in programming responsive web layouts, optimizing digital conversion funnels, and managing cloud-based version control pipelines via GitHub. An exceptional communicator with an established history of managing multi-volume publications, meeting strict deadlines, and executing self-directed technical solutions.

CORE COMPETENCIES

- **Technical Skillsets:** Semantic HTML5, Custom CSS Layout Architectures, DOM Hover-State Logic, Information Architecture.
- **Operational & Support Systems:** Multi-Regional Scheduling, Workflow Logistics, Client Intake Operations, Airbnb Turnovers.
- **Tools & Platforms:** Git Version Control, GitHub Pages, VS Code IDE, Amazon KDP Dashboard, Canva layouts.

TECHNICAL PROJECTS & REPOS

Lead Developer & Designer | *Enlightened Home Renewal Web Platform*

- Architected and published a live, responsive corporate landing page and micro-service grid built to maximize client acquisition metrics.
- Programmed custom native DOM hover-state animation parameters to present interactive visual transformations (Before/After showcases).
- Optimized asset delivery pathways by establishing structured filename conventions to eliminate server loading errors.
- Deployed and maintained production-ready repository pipelines utilizing version control on GitHub Pages.

PROFESSIONAL EXPERIENCE

Owner & Operations Manager | *Enlightened Home Renewal* | 2024 – Present

- Direct all daily business operations, client acquisition pipelines, and multi-state scheduling across constructive property solutions and residential care.

- Manage high-responsibility client contracts, including complex deep cleans, move-out detailing, and high-frequency Airbnb rental turnovers.
- Spearhead local digital marketing campaigns and independent corporate branding assets using advanced design applications.

Solutions Specialist & Farm Labor Operator | *Christmas Valley Property Solutions* | 2021 – 2024

- Executed fast-paced, multi-functional physical and manual labor projects, including commercial handyman tasks, farm operations, and property maintenance.
- Maintained reliable, crystal-clear asynchronous communication with remote landowners to coordinate timelines and deliver daily project tracking updates.

PUBLICATIONS & CREATIVE PROJECTS

Author & Publisher | *The Little Lights Children's Book Series*

- **The Light Inside Me** (Published 2025)
- **Luma Learns to Soothe** (Published 2026)
- *Scope:* Authored, illustrated, and launched an independent children's emotional regulation and wellness series, managing complete digital production lifecycles and global distribution logistics.

Author & Publisher | *Adult Non-Fiction & Reflective Series*

- **Reflections of Me** (Published 2026)
- **When the Floor Gives Way** (Published 2026)
- *Scope:* Formatted, compiled, and published multi-volume text works via Amazon KDP, successfully auditing complex print layout margins and text distribution workflows.
